

The house of the Good Shepherd is happy to announce a Request for Proposal to install Teams phones on our 1550 Champlain Avenue Campus in Utica NY.

HGS has been providing care for foster children in the Central New York region for over 150 years. We have a residential campus in Utica NY that consists of a School and 5 residential buildings where our foster children live.

to submit bids to install multiple switches in multiple locations in the Central NY region. There are 32 switches needed. 7 Meeraki switches with model number MS250-48FP-HW. and 25 that are at least equivalent in specs and capabilities as the GWN7806P

accomplished while children are in residence and residential installation can take place while the children are in school. Some of our children have behavioral and psychiatric disorders and in this context keeping all materials, equipment and tools secure at all times is required.

Pricing should be clear and include detailed line items for equipment, software and labor.
